

Weekly Update 5/20/09

Preschool and Kindergarten Readiness Graduation will be this Friday, May 22, at 9:30 AM. Anyone is welcome to come. (They are SO cute!) Make sure to invite grandparents and friends.

Elementary Spring program will be on Tuesday evening, May 26, at 7:00 PM. Please feel free to invite relatives, neighbors, and friends. All students will need to report to Kids' Church by 6:30 sharp! Students should wear pants appropriate for a Phy. Ed. Class (this ties in with the program they are doing) and we will supply them with a shirt to wear (and keep) when they arrive. We would like to have each school family bring in a plate of bars or cookies for after the program.

Yearbook: Nathan Good and our Level 4 students have been working all semester on a yearbook for our school. It is going to be packed with pictures and information and should be our best yearbook ever. The cost is not completely locked in yet, but it should be very reasonable. Look for an order form next week before school is out. We will be mailing order forms to Kindergarten Readiness and Preschool students.

Schedule for next week:

Tuesday – Rehearsal for Spring program and classroom clean-up.

Wednesday – Track and Field Day – Students can be dropped off at school as usual by 8:30 AM or at the fields by 9:00 AM. **WE COULD STILL USE MORE HELP!!!!**

Thursday – Class Field Trips – Students should be here at 8:30 as usual.

Friday – Bible Quiz Off at 9:00 AM; Spelling Bee at 12:30 PM; Chapel and Awards Program at 2:00 PM; Dismissal at 3:15 as usual.

Library Note: We are missing some books! Please check around your home for any books borrowed from the school library that might have been overlooked.

Hurry! Hurry! Hurry! If your student is returning next year and you have not turned in their re-enrollment papers, please do so as quickly as possible. You do not need to turn in any money at this time. Make sure and tell anyone you know who might be interested to come in and check us out, too.

Summer Billing: Included in your Communication folder this week, you will find whatever billing notices apply to the method of payment you have selected for next school year. You are receiving all those due before the beginning of next school year to simplify things for our volunteer bookkeeper, Patty, and to save on postage.

BoxTops, Land-o-Lakes and Kemps milk caps, and Campbell's labels:

Don't stop now!!! You've got the clip'em-and-save'em habit going, right!?! We accept these lovely collectibles all year round.
